Softball Tournament Celebrates Substance Misuse Recovery

The Home Run for Recovery Softball Tournament will feature teams from recovery organizations competing against teams from Howard County government organizations in the spirit of celebrating recovery from substance misuse and addiction. This is the second tournament event for the Howard County ROSC (Recovery Oriented Systems of Care) Committee, a coalition of local and national public and private providers from mental health and substance use disorders fields, Howard County agencies and healthcare providers.

In addition to the tournament, resources about addiction and recovery will be made available throughout the day.

WHO: Steve Schuh - Executive Director, Maryland's Opioid Operational Command Center
Antigone R. Vickery – Deputy Health Officer, Howard County Health Department
Sameer Sidh – Chief of Staff, Office of the County Executive

OTHERS: Roe Rodgers-Bonaccorsy, PhD. - Director, Bureau of Behavioral Health,
Howard County Health Department
Carol Boyer - Co-chair - Howard County ROSC Committee
